

Small Group Questions

DBR Question:

1. What stood out to you in the DBR the past two weeks? What did you learn? What did you do as a result of it?

Small Group Questions:

2. Read John 11:33-36 and Revelation 21:4. Make a list of the effects of sin. How have you seen sin's impact in your life(sickness, someone you know dying, etc.)? What does it look like to mourn over sin?
3. Read John 11:43-44. Think about how incredible this is! What does this teach us about the power of Jesus? Why should Jesus' power give Christians hope? What impact should it have on non-Christians?
4. Read John 11:25-27 and 11:45-46. Who trusted Jesus in these verses? Who did not? What does it mean to trust in Jesus? How is trusting Jesus different than just believing what he did?
